Annex A (informative)

Equipment Datasheets

This annex includes datasheets for the following equipment items:

a) fired-heater datasheets: 12 sheets (6 in SI units, 6 in USC units);

b) burner datasheets: 6 sheets (3 in SI units, 3 in USC units);

c) air preheater datasheets: 4 sheets (2 in SI units, 2 in USC units);

d) fan datasheets: 4 sheets (2 in SI units, 2 in USC units);

e) sootblower datasheets: 2 sheets (1 in SI units, 1 in USC units).

f) isolation guillotine/isolation blind datasheet; and

g) louver/butterfly damper datasheet.

See Section 5 for instructions on using the equipment datasheets.

The purchaser should complete, at a minimum, those items that are designated with an asterisk (*).
